COURSE OPTIONS

A+ Tutor (No Credit) This class is a semester in length whereby a student who is in good standing with the A+ Schools Program may be assigned a location within the District to complete their tutoring requirement as specified by the State A+ School requirements. A student must have the approval of the counselor, A+ School Director, and Principal. A separate application requesting placement as an A+ Tutor is required when submitting your enrollment form. Applications may be picked up from either the counselor's office or from the A+ Schools Director. There are a limited number of slots available.

JROTC Leadership Camp (.25 unit) Cadet Leadership Course (CLC) program prepares our cadets for continued growth and greater leadership responsibility. The CLC Camp will be held at Camp Clark, Nevada MO on 26 May - 31 May 2018. The program provides intensive training and practical experience in a variety of leadership topics under the supervision and instruction of the Camp Instructors and JROTC instructors. This year each cadet will have the opportunity to participate in vehicle roll-over, weapons familiarization/laser range, buffalo minesweeper/route clearing simulator, water ops, assault/breach tactics, orienteering/land-navigation, confidence course, repel tower and leadership reaction course. This is just a sample of the many activities that will be available. Cadets must meet the minimum physical standards due to nature of the camp. The camp requires cadets to run 1 mile, Push-ups, sit-ups. The minimum fitness standards for males are 36- Sit-ups, 21- Push-ups and 9-minute mile run. Female fitness standards are 25 sit-ups, 6 Push-ups, and 13-minute mile run. The camp cost is \$50.00 which covers all meals, lodging, and transportation.

Health (.50 unit) Grades: 9th or for graduation. This course is designed to introduce the students to the concept of health: physical, mental/emotional, and social. Through the study of the body, the student will have the opportunity to make choices to live a more active productive life now and in their future. This class includes current information on nutrition, eating disorders, mental health, handling emotions, human reproduction, STD's including AIDS, information on predators and sexting, first aid, as well as many other health related topics. Human reproduction will be taught on an abstinence basis with information on contraception.

Personal Finance (.50 unit) Required for all students. Must be taken before graduation. Understanding and managing personal finances are key to one's future financial success. This one semester course is based on the Missouri Personal Finance Competencies and presents essential knowledge and skills to make informed decisions about real world financial issues. Students will learn how choices influence occupational options and future earning potential. Students will also learn to apply decision making skills to evaluate career choices and set personal goals. The course content is designed to help the learner make wise spending, saving and credit decisions and to make effective use of income to achieve personal financial success.

Personal Fitness (.50 unit) This course will provide students the opportunity to develop cardiovascular endurance, flexibility, and muscular strength through a variety of activities. Some activities to be covered but not limited to: aerobics, Zumba, yoga, Pilates, power walking, running, and fitness bands. This is a high participation class for self-motivated students dedicated to personal fitness.

Drivers Education – UCM (.25 unit) This class is taught on the UCM campus from June 11-22. Class will be held from 8am-12pm, and transportation will be provided to and from the high school. Behind-the-Wheel sessions (students will be assigned days/times during class) will be held June 18-22 – transportation will be the responsibility of the parents for these sessions. The cost is \$300 and due to UCM at the time of enrollment, which begins April 2nd (must be done in person at Instructional Park 1200 S Holden, Warrensburg, MO). Cost will be reimbursed to the parents at the end of summer school, and is dependent on completion of the program.
